Facilitating the Exchange of Expertise and Insights

The GCSP Alumni & Community Engagement Office plays a pivotal role in fostering connections among our alumni, promoting the exchange of knowledge and expertise within the community, and on a wider scale for the Centre, as well as for our partners and donors.

“

The GCSP Alumni Community has been very useful during my recent postings, because it opens new doors to immerse in new regional contexts. It is possible to start a discussion and to receive feedback and insights from any global region.

— Colonel Denilson Leitão, Military Advisor and retired Colonel, Brazilian Army, Hub Leader GCSP Alumni and Community Hub, Brazil

Connect

MyGCSP – An Elite Platform for Security Policy Professionals

Graduating from a GCSP course is only the beginning of a new collaborative journey advancing peace and security. Being a member provides access to a unique network, exclusive activities, events and publications.

- **Alumni Directory:** the essential resource to +11,000 security policy experts in 174 nations.
→ filter by residence, nationality, fields of expertise
- **Alumni Expert Pool:** a selective list of thought leaders, recognised for their expertise in various fields and able to serve as advisors, facilitators, speakers and moderators.
- **Alumni Hubs** and their private fora foster a sense of community among members in the same region. These entities are lead by volunteer alumni.
- **Alumni Publications and Videos** are available in our digital library and serve to share the knowledge and expertise of GCSP Alumni with the community.

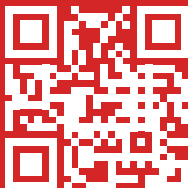

Building Peace Through Community

About Us

The Geneva Centre for Security Policy (GCSP) is an international foundation that aims to advance global cooperation, security and peace. The foundation is supported by the Swiss Confederation and governed by 55 member states. The GCSP provides a unique 360° approach to learn about and solve global challenges. The foundation's mission is to educate leaders, facilitate dialogue, advise through in-house research, inspire new ideas and connect experts to develop sustainable solutions to build a more peaceful future.
